NATIONAL ASSURANCE and INVESTMENT ASSOCIATION.
7, St. Martin's-place, Trafalgar-square, London; and 36, Pall-mall, Manchester.
Established May, 1844.
INVESTMENT OF CAPITAL AND SAVINGS.
The object of the Investment Department of this Institution is to open equally secure and profitable channels of investment for the surplus capital of the affluent, and the provident savings of the industrial classes of the community. To persons desirous of placing their money out at interest, but unused to making securities, and inexperienced in estimating their value, this Institution offers immediate facilities, and an opportunity of realizing the highest rate of interest yielded by first-class securities, in which alone the money deposited with the Association is employed.
Interest payable in January and July.

NATIONAL ASSURANCE and INVESTMENT ASSOCIATION.
CAPITAL STOCK, 250,000.
The Capital Stock is altogether distinct and separate from the Depositors' Stock in the Investment Department of this Institution. It constitutes, with the Premium Fund, a guarantee for the engagements of the Association, and has been provided in order to render the security of the Assured complete.

IMPORTANT NOTICE TO POLICY-HOLDERS.
Policies absolutely INDISPUTABLE; and made PAYABLE TO THE HOLDER BY SPECIAL INDORSEMENT, thus saving the expense of a transfer deed as well as legacy and probate duty.
FOR SECURING LOANS OR DEBTS.
Amongst the varied and extensive Tables of this Institution will be found one peculiarly advantageous where Policies are required for securing loans or debts. The rate of Premium by this Table will protect the Interest of the Policy-holder from all contingencies, and allow the Life assured to proceed to, and reside in, any part of the world.
MUTUAL ASSURANCE:—
Assurances may be effected from 30l. to 10,000l. on a Single Life.
Entire profits belong to the Assured, and divided annually.
Credit for half the amount of the first Two annual Premiums.
Medical men remunerated for their Reports.
Liberty to Travel, and Foreign residence, greatly extended.
COLLEGE EDUCATION.
A Novel Table has been constructed expressly for the use of this Institution, whereby a Parent, by the payment of a very small annual premium, may, in the event of death, secure to a Child, either an Annuity, payable from the age of 17 to 21, or an equivalent amount in money.
Other new and important Tables for Educational purposes, and Endowments for Children, are in course of construction, and will shortly be published.
The Tables for Reversionary and Deferred Annuities are most carefully deserving of attention, whether regarded as a means of providing for a particular Individual, or as a resource against the casualties of age, involving, as it does, the uncertainties of health and fortune.
Full information and prospectuses may be obtained, on application at the Head Offices of the Association, or to the respective Agents, throughout the United Kingdom.
PETER MORRISON, Managing Director.
Applications for Agencies may be made to the Managing Director.
